Year 1 Home Learning.

Home Reading

Books are changed Monday, Wednesday and Friday. Reading records need to be signed so that a new book can be given.

WOW Word Cards (Autumn term)

Each week your child will be given a High Frequency Word pack to take home.

High-frequency words are the words that appear most often in printed materials and most cannot be sounded out so need to be learnt off by heart. Please help your child to learn these words at home by reading them daily and writing them.

Each week the packs will be rotated so please ensure that they stay in your child's book bags so that they can be changed on a **Friday**. Packs vary and are not based on children's ability, all packs are different levels of difficulty.

Busy Books

Please use these to write down any interesting things your child does at home, for example recognising/ writing numbers, counting, writing, talking about different things in detail or any practical activities you have done together. Photos can be stuck in if you want to. Please keep these in your child's book bag for teachers to look through and share with the class.

Spelling (from spring term)

All children are given their individual spellings that have come from their own work. Please help your child by practicing these words by using the look/cover/spell/ check method.

Words will be sent home on a Friday and children will be tested on a Wednesday. If a child has not managed to spell a word correctly they will get it again until they can spell it.

Maths challenge (from Spring term)

From January, children will be sent home a maths challenge each week. The challenge will be related to the Maths topic children are learning in class that week.
The challenge will come in the form of a question that the children will solve practically using resources provided in their own packs. Please help your child by working through the challenges with them and finding practical methods to solve them.

Parents/ Carers will need to comment on how their child found the challenge. This will need to be returned to class on a Wednesday and a new challenge will be sent out on Friday.
