Dear Parents and Carers,

Re: Year Four Relationships Education Information Session for Parents and Carers

As you will be aware, R.S.E. forms an important part of the PSHE programme. This year, Year Four teachers will be using a wide range of child friendly resources to deliver R.S.E. to the children in Year Four during the Summer Term.

The topics covered in Year Four are:

- Exploring the human life cycle
- Identifying some basic facts about puberty, reproduction and pregnancy
- Learning about the physical changes associated with puberty

I will be running an information session for Year Four parents and carers where I will be explaining the topics covered (above) on:

Wednesday 13th April 2016 at 2.30pm in the Meadow Building Hall.

If you would like to attend this session, please complete the slip below and return it to your child's class teacher as soon as possible.

Thank you for your co-operation.

Ms. C. Meade
P.S.H.E. Co-ordinator
