Dear Parents/ Carers of Year 6,

### Reading at Ravenor

At Ravenor, we believe that reading is very important and we know that the more children read, the more they will learn. This year, we have invested even more money into a wider range of topic books to support your child's learning. We would therefore like to invite you in to take a look at these books with your child during our topic launch sessions.

### What is a topic launch?

Each half term the children learn about different topics in subjects such as history, geography and science. We would like to involve you with your child's learning by inviting you in at different points throughout the year as we launch different topics in our year groups. During this time, you will have the opportunity to:

- Hear about some of the exciting things your child will be learning about
- Take a look at some of the wonderful non-fiction books we will be using to learn more about this topic
- Hear some suggestions about how you can support your child further at home
- Speak to your child's class teacher, if you have any questions

### What is the topic area being launched?

This half term for our History topic we will be learning about World War II. We would like to invite you in to school for a topic launch session about World War II.

### When and where will the topic launch session be held?

Our topic launch session will be held on Friday 21<sup>st</sup> September 2018 at 9.15pm until 10.15pm. It will be held in Year Six classrooms.

### What do I need to do next?

Please complete the slip below to confirm if you are able to attend. We look forward to seeing as many of you as possible.

Thank you for your continued support,

Yours sincerely,

Miss J. Cobb
