Dear Parents and Carers,

Re: Year Five Relationships Education Information Session for Parents and Carers

As you will be aware, R.S.E. forms an important part of the PSHE programme. This year, Year Five teachers will be using a wide range of child friendly resources to deliver R.S.E. to the children in Year Five during the Summer Term.

The topics covered in Year Four are:

- To explore the emotional and physical changes occurring in puberty
- To understand male and female puberty changes in more detail
- To explore the impact of puberty on the body and the importance of physical hygiene
- To explore ways to get support during puberty

I will be running an information session for Year Five parents and carers where I will be explaining the topics covered (above) on:

Wednesday 20th April 2016 at 2.30pm in the Meadow Building Hall.

If you would like to attend this session, please complete the slip below and return it to your child's class teacher as soon as possible.

Thank you for your co-operation.

Ms. C. Meade
