Dear Parents/Carers,

RE: RAVENOR'S HEALTH FAIR

This year, Ravenor's Health Fair will be held on **Friday 24th June 2016** from **3.30pm onwards**. The Health Fair is open to all children and families of Ravenor Primary School. It is a great opportunity to receive information about health initiatives in the local area.

What is a Health Fair?

Each year, the children in Year 4 and Year 6 complete a 'Health Related Behaviour Survey'. The most recent survey revealed that oral hygiene and healthy lifestyles are a focus for the children at Ravenor Primary School. Therefore, this year, we will be hosting a Health Fair which will consist of a range of stalls and activities to promote oral hygiene as well as health and fitness for the whole family.

Different health care and fitness professionals will be supporting this event and there will also be lots of other exciting activities and competitions to keep the whole family entertained.

Advertising the Health Fair

This year, we are fortunate enough to have SAB Estate Agents sponsoring the event. They have kindly donated resources, funds and equipment to help run this event. SAB will be displaying their boards around the perimeter fence to advertise our Health Fair. They would also like to place their boards outside the homes of our families within the local area.

If you are willing to have a board placed outside your home to help advertise our Health Fair to the local community, then please complete the attached slip and return it to the School Office for the attention of Claire Meade.

Further information about Ravenor's Health Fair will be sent out nearer the time of this event.

Thank you in advance.

Yours sincerely,

C Meade
