Dear Parents and Carers,

Re: Year Six Relationships Education (RSE) information session for parents and carers.

As you will be aware R.S.E. forms an important part of the PSHE programme. This year, Year six teachers will be using a wide range of child friendly resources to deliver R.S.E. to the children in Year Six during the summer term.

The topics covered in year six are:

- To consider puberty and reproduction.
- To consider reproduction in the context of relationships.
- To explore the process of conception and pregnancy.

I will be running an information session for year six parents and carers on **Friday 23rd September 2016 at 2.30pm in the Meadow building**. During this session I will explain the topics covered as part of R.S.E. in year six.

If you would like to attend this session please complete the slip below and return it to your child's class teacher as soon as possible.

Thank you for your co-operation.

C. McGrath
