

School is Ours

In the beginning
was school,
And Ravenor is
ours.

Go to school,
Follow the rule.

Time to read,
Children in Need.

Sat on a seat,
Play the beat.

School is ours.

Learning time,
Making a rhyme.

Eat your food,
In a good mood.

We have friends,
Science is a trend.

School is ours.

We sit on a chair,
As children we
care,

Time for a test,
Try your best.

Always smile,
Go the extra mile.

Want to learn,
Taking your turn.

Learn to spell,
Time for the bell.

School is ours,
Ravenor is ours.
