

School is ours

Ravenor school,
Is really cool.
Meet your mates,
At the gates.
My many friends,
Write with their pens!

School is ours.

A file,
About the Nile.
Start a chart,
About glorious art.
In PE,
We can run free!
Religion and belief,
Keep it brief.

School is ours

When we munch,
Lots of lunch,
It makes a big crunch.
Beautiful song,
Lyrics long.
Drawing lines,
Telling the time.
Being resilient,

Also brilliant!

Don't be afraid,
Of what I've made.

School is ours.

Super learners,
Money earners.
Eager writers,
Bad spelling fighters!
Ravenor is great,
So celebrate.

School is ours
