

Please

Please do
Please do
Please do that
Please line up
Please stroke the rat

Please eat the rubbish
Please jump on the road
What do they think I am?
Some kind of toad?
One day
They'll say

Please don't poke the
coke
Please put pee on your
key
Please put cans on your
fans
Please put diapers on
your wipers
Please put dragons on the
wagons

And please feed the doll
to the troll

Please put cream on your
beans
Please put spaghetti on
your Bughatti
Please chuck meat at
Rumaysa's feet

And please don't kick
Nick's pet tick
Say what?
Please don't kick Nick's
pet tick
Say what?
Please don't kick Nick's
pet tick
Say what?
Who do they think I am?
Some kind of wally?
