**With an E, with an L, with an M we
are Elm.**

**We're giving you the Elm class
rap, rap, rap!**

Jogging in the woods, we meet a deer,
We have to wait till the road is
clear.

In gymnastics we are no plastics,
In fact, we are just fantastic!

I love to spend my days watching
movies,

It makes me feel all sorts of
groovies!

**With an E, with an L, with an M,
we are Elm.**

Yellow Regents is the best,
Primrose, Hyde and St. James are the
rest !

St James is fast, as fast as
lightning,

They zoom past people and they think
it's frightening!

Primrose are in the hall of fame,
Winning every single game!

Here comes Hyde,

With their big attitude,

They're thankful for their coach,

So they show gratitude!

Guided reading is the best,

A million times better than the rest!

Get ideas from a book,
Learn more facts you won't be shook!
Next subject we're at is maths,
8 x 9 is 72,
Use the inverse it'll give you a
clue!
Ancient history, can be a mystery,
But learn some more
It won't be a chore!

When I was one, I was very fun,
When I was blue, I was in year two!
When I was three, I was half way
there,

When I was four, I fell through the
air!

When I was just five, I came alive,

When I turned six, I found the pick a
sticks!

we are Elm.**

We show respect when we hold open the
door,

Pick up the bags that are on the
floor!

Resourceful, resourceful is the way
to flow,

Resourceful, resourceful is the way
to go!

Resilient, resilient is the way to
flow,

Show resilience wherever you go!

Responsible, responsible is the way
to go,

Responsible, responsible is the way
to flow!

If you're struggling then have a
break,

Reflect, reflect on your mistake!

**With an E, with an L, with an M,
we are Elm.**

rap, rap, rap!**
