

The Oak Class Rap

Hey everybody, it's time to learn
First it's maths and geography,
Then, it's English and history,
Science is something that muddles our brain,
Don't worry, it'll be A-OK.

Some may think we're loud,
Some may think we're proud
Some think we're crazy,
Some think we're lazy,
But listen right here, we'll tell you it's not
true,
Believe in us and join our crew!

Tip, top, tip, top, tap,
We're giving you all the Oak Class rap, rap,
rap, rap!

Hey everybody, we're about to go,
Five Rs, let's go!
First, you need to be respectful,
R-r-r respectful.
Second-you-need to be resourceful,
R-r-r resourceful.
Third you need resilience
To be so brilliant!
Fourth-is-reflective, please don't cry,
Wave your past problems goodbye.

Fifth responsible is the key,
Just to help us: you and me.

Come-on..... Gotta-go-run,
Let's have... some fun!
Regents, let's go outside,
Play with Hyde - **alright!**
Primrose, let's play some games,
With our rivals, team Saint James!

Some may think we're loud,

Some may think we're, proud,
Some think we're crazy,
Some think we're lazy,
But listen right here, we'll tell you it's not
true,
Believe in us and join our crew!

Tip, top, tip, top, tap,
We're giving you all the Oak Class rap, rap,
rap, rap.

When we are bored, we do some art,
We all get excited, we all take part!
During lunch, we play four square,
You can't hit-the-ball... anywhere!
The boys are crazy for football,
The girls are fussing to go to the mall.
The teacher stopped in the middle of her talk,
And said 'Watch me... write with chalk.'

We looked at the gate and saw our mate,
We heard the bell ring, it went 'ding, ding'!
The teacher glares and always stares,
DUN, DUN DUN!

We put our stuff away and play with clay,
We do P.E. and PSHE.
We do a test and then scream 'YES!'
We play outside with our friends by our sides.
Then we eat yummy, scrummy meat.
We go inside and put our stuff away.
Then we practise for our Christmas play.
We pack away and go on our way,
To see our parents at the end of the day.

Tip, top, tip, top, tap,
We're giving you all the Oak Class rap, rap,
rap, rap, rap, rap, rap, rap, RAP.
